Letter No. Q.C. 14-5 dt 7.10.29 from the Senior Surgeon enclosing a rough sketch of the Maternity building required for Manjampad and stating that the Municipal Council may have no objection to bear their quota as the cost will be considerably reduced.

A copy of letter together with rough sketch of the maternity building proposed for Manjampad will be sent to Chief Engineer for him furnishing an estimate of the building. After knowing the estimated cost, action will be taken to ascertain whether the Mal Council of Manjampad would be able to bear their quota of the cost on the reduced scale of 1/3 for wells.

The D.B. of Mysore paid a sum of Rs. 10,667 in March 1928 as their quota of the cost of a Maternity building at Nanjangud. Subsequently, at the instance of the present Senior Surgeon, it is proposed to build a combined Dispensary at the place (instead of a costly Maternity building) at half the originally estimated cost. The Nang Municipality is agreeable to the proposal. But the D.B. insist that the contribution of Rs 10,667 paid by them for the Maternity should be returned to them in the first instance, as the question of Maternity has been dropped. This matter was also pressed on the attention of Govt at the last session of the R.A. (Vide extract from the Progs The D.B. have refused to countersign the plan & estimate of the Combined dispensary, till the question of the return of their contribution is settled.

Med File No. 108 of 1929 | General and Revenue Secretariat

The question of constructing a building was taken up at the instance of the Taluk Bd Nanjangud & the D.C. Bd who resolved to contribute Rs 5000/- & the D.C. Bd also agreed to it in their Meeting held on 12.9.25. A Sum of Rs 1000/- was also made available that year.

Reg U Med 58-25 (1-4)

Thereupon the question was taken up & the Plans & Estimates are now ready. It is for orders if the D.C. Bd can now go back on their own resolution.

Med 26.8.32. 51) This Dispensary was opened at Nanjangud at the instance of the local Municipal Council in 1927 supported by the then Taluk Board and the District Board. ~~It was to have been held in a rented building~~ It was proposed to be held in a rented building (rent being paid by the local bodies) till a building was constructed towards which the Taluk Board resolved to contribute Rs 5,000 and the Dist: Board finally provided Rs 1,000 in their budget of the year as an earnest of their willingness to contribute their

quota. There is nothing to show that the Taluk Board actually paid their promised contribution. But on the abolition of the Taluk Boards in the State, the funds of such Boards were transferred to the Dist: Boards concerned and it was the duty of the D.B. of Mysore to set apart Rs 5,000 out of the Taluk Board funds for their ~~share of the~~ promised contribution of Rs 5,000. This duty they fully realized and when the estimates for Rs 31,000 were sent to them, they not only agreed to them but also paid one-third ~~of~~ part of it as their share of the expenditure very promptly. But the municipality pleaded inability to pay at first and it took sometime before they finally agreed to pay.

52) The Contention of the D.B. is that the payment of Rs 10,667 was for a maternity and if that scheme is altered and a combined dispensary building is now proposed (even at a reduced cost), the matter has to be considered afresh by the D.B. and that in the meantime, the amt already paid by them shd be refunded.

His Highness the Maharaja of Mysore, Bangalore.

SIR,

Adverting to the correspondence ending with your Memo.No.G. 302-3/Med. dated the 9th July 1929, regarding the construction of the Maternity Hospital at Nanjangud at an estimated cost of Rs.32,000/- and stating that the work may be deferred until the Municipal Council are able to pay their quota, I have the honour to state that I obtained the plan and estimates of the proposed buildings from the Chief Engineer of Mysore and on scrutinising them, I find that a Maternity on such an elaborate scale as proposed is not at all needed for a place like Nanjangud. The same type of a combined Female Dispensary and maternity as is under consideration for Jagalur, (a rough sketch is enclosed for ready reference), would be quite suitable for Nanjangud.

As the cost will be considerably reduced, the Municipal Council may have no objection to bear their quota. Quarters for the Lady Sub Assistant Surgeon may also be constructed, conforming to the General Type Design. I am not for the investment of large sums of money, and multiplication of buildings, in places where one building much smaller, but compact, would ~~will~~ quite serve the purpose.

I solicit early orders of Government.

I have the honour to be,
Sir,
Your most obedient servant,

S. Subba Rao

Senior Surgeon with the Government of His Highness the Maharaja of Mysore.

To

The Chief Secretary to the
Government of Mysore, Bangalore.

SIR,

I have the honor to state that in 1929, a plan and an estimate for Rs.32,000/- were sanctioned by Government for the construction of a Maternity Hospital at Nanjangud, but the question was ordered to be deferred " till the Municipal Council of Nanjangud were able to pay their quota towards this work."

The question has since been re-examined with a view to find out whether the design may not be altered to cost less. After careful consideration, I feel convinced that instead of a costly Maternity Hospital it would be better to have the existing Local Fund Dispensary building itself converted in to a combined dispensary for men and women, by effecting certain additions and alterations. A combined dispensary of this type would quite answer all requirements.

At my request, the Executive Engineer, Mysore Division, was good enough to furnish me with a plan and estimate of Rs.15,504/- for the conversion of the existing Local Fund Dispensary into a combined dispensary for men and women. This estimate was countersigned and sent to the Superintending Engineer, Mysore Circle, for obtaining the sanction of Government and arranging to provide for the work in the next year's budget estimate.

From the enclosed copy of letter and enclosures received from the Deputy Commissioner, Mysore District, it will be kindly seen that the Municipal Council of Nanjangud are willing to meet their quota of cost amounting to about Rs.5000/- a sum of Rs.2,000/-

T.O

Rs.2,000/- being immediately paid out of the current year's budget grant of the Municipality, and the balance in the next year. Pending the resolution of the District Board, Mysore, who have been again addressed on the subject, I request that sanction of Government may be kindly obtained to transfer this amount to the credit of the Public Works Department, so that the work may be put on hand after the revised estimate receives the approval of Government.

Letter No.B.2586 dated 18-4-32 from the Superintending Engineer, Mysore Circle, to the Chief Engineer of Mysore.

Re:- Conversion of the Local Fund Dispensary at Nanjangud into a combined dispensary.

In continuation of my letter No.2378 dated 23-3-32, I have the honour to submit herewith a copy of letter No.C.1671/L.B.31-32 dated 24-3-32 from the District Board, President and to state that he urges for the return of Rs.10,667 already paid by the District Board as the question of construction of the combined dispensary is still on the anvil and there is no probability of its being constructed immediately. The President also states that the question of District Board quota for the work will be considered after the proposals are finally sanctioned by Government.

In view of the General Secretary's letter No.G.3165-Med. 108-29 dated 14-10-31 requesting for the submission of the project for orders of Government it is apparent that Govt desire to sanction the scheme on being intimated of the consent of the Local Bodies to pay their quota. As the Municipal Councils have already countersigned the estimate as regards their share of cost and as the District Board seems to be only objecting to it on account of the probability of the work not being taken up for some time longer, the Executive Engineer, has again forwarded the estimate for Rs.15,504 to the District Board President in his letter No. 1432 dated 2-4-32 for his countersignature and early return.

I am also urging the District Board to kindly arrange to forward the estimate countersigned immediately.

Letter No.C.1671.L.B./31-32 dated 22/24-3-32 from the President, District Board, Mysore, to the Executive Engineer, Mysore Division.

With reference to your Memo No.1316 dated 13-3-32 requesting information about the District Fund quota of cost of Rs.10,667 paid in March 1928 to P.W.D., I have the honour to state that the amount has not been received from you till now. It seems from the letter addressed to the Superintending Engineer by you that the construction of Maternity Hospital at Nanjangud has not been taken up so far. Since the question of the construction of a combined dispensary at Nanjangud has been on the

3|

anvil, there is no probability of constructing a Maternity Hospital at present. It is therefore requested that the sum of Rs.10,667 paid to your Department so far back as 1928 may kindly be refunded to District Fund.

The question for payment of District Fund quota for the construction of a combined dispensary at Nanjangud will be considered after the proposal is finally sanctioned by the District Board and Government.

Sir,

In continuation of this office letter No.14415 dated the 7th May 1932, I have the honour to inform you that the President, District Board, Mysore, has intimated that in view of the present financial stringency the Board cannot undertake to take up any fresh works and as such the estimate amounting to Rs.15,504 for the above work sent to him could not be countersigned and that the contribution of Rs.10,667 paid in the year 1928 for a maternity be refunded to them at once. The Municipal Council of Nanjangud have agreed to bear their quota and have countersigned the estimate. Under the circumstances, orders of Government may kindly be obtained whether the amount of Rs. ~~10,666~~ 10667 may be refunded to the District Board in full or only the excess above their ~~combined~~ quota of Rs.5,200 due for the combined dispensary.

SUBJECT :—

With reference to your letter No. G. 440/Medl.108-29-7 dated 14th July 1932, enquiring if the District Board is prepared to contribute their quota of cost for constructing a combined dispensary at Nanjangud, I have the honour to state that the District Board have already resolved that owing to financial troubles, thev cannot contribute any money towards the building. The money they had contributed hasbeen locked up with the Public Works Department since 1928. The estimate as originally sanctioned was not worked out. As such the money that was given to the Public Works Department may be ordered to be refunded to the Board or given as a set off for the outlay incurred by the Public Works Department on District Fund works during January 1932, as already suggested. At the present financial stringency the Board cannot possibly think of contributing any amount for such big works. But if the Government are prepared to

37

give their contribution and insist on the payment of the District Fund quota the matter will be separately considered at their next meeting. Meanwhile I request that orders may kindly be passed for the refund of the amount of Rs 10,667/- already paid by the District Board and remaining unutilised by the Public Works Department since 1928.

I request the favour of early orders in the matter.
